Subject: Re: Nice to e-meet you/Hollywood Forever Cemetery

Hi Gerry,

I am following up on the below question. Can we possibly meet sometime next week to discuss? This will serve as an opportunity to discuss events, as well as have the chance to meet in person. Perhaps we can look at dates after the 4th of July?

I am adding on this email (and who would also be part of this meeting) Officer Julie Nony, who has worked with the cemetery for over a decade, Officer Guerra of our Hollywood Vice Unit and Baydsar Thomasian, District Director to Senate President pro Tem Kevin De Leon.

Please advise.

Thank you.

Thanks for the information, Gerry. I understand the licensing portion, but if it is held on private property is there a law that prohibits their patrons from bringing their own alcohol in?

What if they stop selling it?

I appreciate the information.

Thanks
